

"Family Retreat is an oasis in a dry land, a lifeline. It points the way to the King and helps us realize that it's not about us, but about God—who has become our refuge"
Dick Buursma, Family Retreat Dad

Joni and Friends Ohio Family Retreats

June 20-25, 2010

**Shawnee State Park
Friendship, OH**

August 15-19, 2010

**Jumonville Retreat Center
Hopwood, PA**

Family Retreat offers a change of pace for families who shoulder the daily pressure of disability. *Family Retreat* is a jam-packed joyous combination of incredible, accessible activities and accommodations, warm and wonderful relationships, empowering truth from the Word of God, heart-to heart sharing and hilarious adventure. It offers a life-changing knowledge that in our Father's arms is all the strength needed for the journey.

At *Family Retreats*, "Everything Under the Son" is provided for the comfort and care of families affected by disabilities. Best of all, at week's end, moms, dads, sisters and brothers head home with newfound joy to press forward in His strength, cheered on by a whole new family of loved ones who stand behind them. During the week, your volunteer, a.k.a. STM or Short-Term Missionary, with your direction, will serve in ways that will enable every family member to take full advantage of all that Family Retreat has to offer. We are dedicated to making your *Family Retreat* experience the most special week of your life.

Perhaps there is a family in your church or someone in your neighborhood who would greatly benefit from Family Retreat. Tell them about it! Individuals or churches can sponsor a family and experience the blessing of being a "sender!"
